

RENTAL QUALIFYING STANDARDS & FEE SCHEDULE

Dwell at Second Street, LLC and The Klein Company conduct business in accordance with Federal Fair Housing Act, PA Human Relations Commission and Philadelphia Fair Housing Ordinance which collectively prohibit discrimination in the rental of dwellings based on race, color, national origin, religion, sex, familial status (including children under the age of 18 living with parents or legal custodians, pregnant women, and people securing custody of children under the age of 18), disability, age, ethnicity, sexual orientation, gender identity, ancestry, marital status, source of income and domestic or sexual violence victim status.

Identification: All visitors must present a government issued photo identification in order to view the community and to sign the Residential Lease Agreement.

Rental Rates: Non-public data is not used to determine pricing. Rental rates change daily and are based upon the apartment selected, the move in date and the length of the lease. Quoted rents will be honored for 48 hours.

Apartment Availability: Management cannot guarantee occupancy for any apartment. The actual date of possession is contingent upon completion of the selected apartment or the vacating of the previous resident.

The listing of available apartments to rent is updated as each apartment becomes available. This may occur at varying times throughout the day and accordingly, available listing at the beginning of the business day may differ from the available listing at the end of the business day.

An apartment becomes available to lease when Management posts the notice in the software program, which will happen when one or all of the following occur:

- Delivery from construction;
- A written notice to vacate is received;
- Keys to the apartment are received;
- A vacancy has been validated.

Screening Criteria: An individual assessment will be conducted for each applicant. Each person over the age of 18 must complete a Lease Application and is considered to be an applicant. Each applicant must complete an application in its entirety and all information provided must be true, accurate and complete, as well as verifiable. Any person residing in the apartment must be listed on the application including persons under the age of 18. Provable income plus verified credit history and identity confirmation will be entered into a credit scoring system, which determines rental eligibility. Other factors impacting rental eligibility may include bankruptcy, foreclosure history, utility payment history, prior eviction records from past four years, and rental payment history. Criminal history will be verified and must meet the standards outlined below in order to be eligible to rent. Each applicant's

criminal status will be individually evaluated; applicants' income and credit will be combined. Prior Landlord references may also be checked.

Note: Failure to pay rent or utility bills or any eviction proceeding brought against the applicant during the COVID-19 emergency period beginning March 1, 2020 through December 31, 2020 (other than an eviction based on violent or dangerous criminal activity that resulted in a judgement against the applicant) shall not be included in the screening or credit scoring model.

Identity Verification: We use Resident Verify to perform the screening of our applicants. Resident Verify utilizes Precise ID to confirm your identity. After submitting your application, you will receive an email with instructions about this process, which may be a single-use authentication code sent to your cell phone and/or a series of authentication questions. This process is time-sensitive and will need to be completed within 10 minutes of starting the process. This process must be completed before the application can be approved. If process has not been started within 48 hours of application submission, the application will be automatically denied.

Income Verification: Proof of verifiable recurring sources of income equal to 3 times the monthly market rent (plus all other rental charges such as pet, garage, storage rent, etc.) is required. Verifiable sources of income include, but are not limited to, recurring payroll deposits, distributions from investments, social security, etc. Additional sources of income will be considered. Management may request additional documents.

Gross annual income for all applicants is combined. Documents required to verify income can include the most recent 4 consecutive pay stubs, prior year 1099* or current W2* (*only accepted during first 2 months of calendar year), financial statements documenting distributions, etc.

Criminal History: A criminal background check will be conducted for each rental applicant. The criminal search will be run for all addresses at which the applicant(s) has resided over the previous 24 months.

We perform criminal background checks for each applicant in accordance with applicable federal and state laws. Your signature below authorizes us to check for certain convictions. An unsatisfactory criminal background check revealing a conviction of certain felonies and certain misdemeanors may result in denial of your application. However, not all crimes disqualify you from living at the community. Crimes which may result in a denial of residency are those which pose a serious threat to the health, safety and welfare of persons living and working in our community, taking into account not only the type of crime but also the date of the crime and the circumstances under which it occurred.

The fact that we perform criminal background checks does not mean that our residents and occupants have no prior or current criminal histories, and we cannot and do not guarantee that this community and its residents are free from crime. Verification of the accuracy of information supplied to or made available to us by applicants and credit/criminal reporting services is limited.

The application will be denied for the following felony and/or misdemeanor convictions:

- Any terrorist related conviction/Federal Watch List per Office of Foreign Assets Control (date unrestricted);
